

2019
RACE INFO PACKET
SATURDAY OCT 5TH 2019

ABOUT:

Baja Bike Race is a 73mile race and gran fondo taking you on a journey through the Valle de Guadalupe, Mexico's wine country! You start 4 blocks from the border of the United States in the Magical town of Tecate and finish in the coastal city of Ensenada. The Tecate to Ensenada route has history taking you back to 1969 and ended in 1993. We brought back this amazing route in 2015 because this is something not to be missed. During your ride, you will experience just over 4000 feet of climbing with gorgeous scenery!

RAFFLE / BENEFICIARY

We will be raffling off many products and all proceeds will be going to Hope Sport. Hope Sports is devoted to a two-pronged mission: 1) To engage professional athletes in community service, providing them with an opportunity to connect meaningfully to a world beyond their athletic career, and 2) To build homes for low-income families in Baja California. Our program joins its two major themes by bringing together teams of active and recently retired professional athletes who provide the manual labor to build homes for the poor. Through their collective efforts, individual athletes and sports teams collaborate on projects that inspire them live with a greater purpose and heart of service.

Community: We bring athletes together for a shared purpose over the course of one weekend. Our trips are perfect for teams looking to deepen relationships and enhance communications.

Purpose: We help athletes live purpose driven lives and to be people who leave a legacy and make a difference in the world. We encourage purpose based identity.

SUPPORT:

This event is fully supported by the State of Baja California Mexico as well as the Federal tourism board of Mexico. Our goal is to increase the sport of cycling across the neighboring country of Mexico and increase tourism. BajaBikeRace is based in San Diego, Ca and American/Veteran owned. A special thanks to all that support us!

Identity: In one weekend athletes will build a home for a family in need and forever be impacted. In giving hope to others, athletes receive more than they give.

Hope Sports builds homes to provide immediate impacts in six areas:

1) Financial: Throughout Latin America, the typical cost of a home is 5.4 times higher than working families' average wages and 30% of all families live in dwelling crudely constructed from scrap materials, plastic and rubbish.

2) Educational: A child without a home is three times more likely not to attend school with direct consequences for future employability and self-reliance. The poorest children are, tragically, practically predestined to repeat the cycle of poverty into which they are born.

3) Health: Homeless children are twice as likely to suffer from asthma and other chronic health conditions. Simply moving from dirt to a concrete floor reduces the rate of chronic childhood diarrhea by 43%.

4) Social: Children without shelter suffer anxiety, depression, social withdrawal and a variety of accompanying

mental health issues at vastly higher rates than the norm. Homeless children are twice as likely to experience persistent hunger and four times as likely to have delayed development. These and other issues affect homeless children's ability to form and keep peer relationships and also prevent those children's integration into mainstream society.

5) Emotional: Homeless children have higher rates of self-harm and exhibit difficulty forming trusting relationships with adults and with other children. The real impact of a childhood without adequate shelter and personal security is manifest in emotional complications that can last a lifetime.

6) Functional: Families struggling to keep their children safe, warm and dry at night have little opportunity to prepare for or invest in a brighter future. Providing adequate housing for a family allows its adults to seek and retain better employment and provide greater long-term support for themselves and their children.

SO PLEASE JOIN IN THE RAFFLE AND HELP US HELP HOPE SPORTS! EACH RACE ENTRY GETS YOU 1 RAFFLE TICKET
